PIMPLES EASILY
GOTTEN RID OFSimple Home Treatment
Without Salves or
Lotions.

The cause of nine-tenths of the pimples people have is faulty indigestion, stomach trouble, inactive liver and constipation. When this is understood the matter of getting rid of the pimples becomes a very simple one, once the right remedy is found. The great success of N.R. Tablets as a treatment for pimples lies in the fact that this remedy not only cures the cause of the skin trouble, but also contains certain vegetable elements which tone up and correct the stomach, promote the flow of gastric juice and relieve fermentation in stomach and intestines. For every one that is constipated, "liverish" or any one suffering with humatimal—youth or old—our advice is, take an N.R. Tablet tonight and you'll feel better in the morning. Get a box at your druggist's. Guaranteed or your money back.

WASHINGTON HERALD
FIRST TO TELL NEWSNewsboys Reap Harvest When Extra
Comes From Presses.

The Herald was the first on the street with the news. At 10:30 o'clock last night newsboys with their arms full of the extras that proclaimed as a certainty the re-election of President Wilson, rushed into an excited throng that had besieged Eleventh street and Pennsylvania avenue since early evening.

As the plates were being locked into the presses on the first floor of The Washington Herald Building the crowd surged against the windows and strained to read the news even before it was put into print.

The hundreds of newsboys, who had waited many hours for the "extra" that was really to tell the news, reaped a bonanza. Papers were jerked from their hands, and many got no farther than the sidewalk before they had to return for fresh supplies.

With its usual promptness in announcing the most important news, The Washington Herald was on the street and selling before any other extra edition was issued in this city.
